Where are you studying and why are you interested in art or design or creativity in general?

Name any artists, designers, writers or internet creators that you find inspiring and briefly explain what it is about their work that captures your attention?

Have you ever worked with your hands? If so, what have you done with them?

Describe an experience that you have had that transformed the way you think or perceive the world around you?

What is your favorite food or meal and why do you enjoy it?

If you were able to meet any person via fantastic time-travel, who would that be and what would you do?

Feel free to include any examples of your creativity by attaching them within this email along with questionnaire,

I look forward to hearing from you,

Sincerely,

Peter Glassford
